3. Earning Miles

3.1 Flight Miles

Miles earned per flight = Base miles (distance) x Fare class multiplier x Tier bonus

Fare Class	Multiplier
Basic Economy	0.5x
Economy	1.0x
Premium Economy	1.25x
Business	1.5x
First Class	2.0x

Example: A 1,000-mile Economy flight for a Gold member earns: 1,000 x 1.0 x 1.5 = 1,500 miles.

3.2 Partner Earning

- Credit card spending: 1-3 miles per dollar depending on card tier.
- Hotel partners: 500-2,000 miles per stay.
- Car rental partners: 500-1,000 miles per rental.
- Dining program: 1-5 miles per dollar at participating restaurants.
- Shopping portal: 1-10 miles per dollar at participating retailers.

4. Miles Expiration

- Miles expire after 24 months of account inactivity.

- Any qualifying activity (earning or redeeming miles) resets the 24-month clock.
- Qualifying activities include: flying, credit card purchases, partner transactions, miles donations.
- Expired miles cannot be reinstated.
- You will receive email notifications at 90 days, 30 days, and 7 days before expiration.

5. Redeeming Miles

5.1 Award Flights
